

Our topic for Autumn Term is:

English

In English, we will be focusing on sentence writing. We will be reading 'Only one you', 'I can only draw worms' and 'Can I build another me' and using these to inspire our own story writing. We will also be learning, question writing, conjunctions and using punctuation in our sentences.

Maths

In Maths we will be learning about place value focusing on tens and ones. We will begin to explore addition and subtraction as well as continuing to practise our reasoning and problem solving skills.

Science

Our science focus will be understanding animals, including humans. We will be learning about how to stay healthy, including the importance of a good diet and exercise for living. We will also be learning about the seasons of Autumn and comparing this to the other seasons.

Foundations

In our topic, we will look into the history of toys and we will be ordering chronological events, exploring toys such as our toys we have used throughout our lifetimes. We will be thinking about online safety and different creation stories. In Art, we will be learning about techniques such as rolling, cutting, moulding and carving. In Spanish we will be learning to say colours and continue learning numbers. In Music we will be thinking about pulse, rhythm and pitch. We will be learning about fundamental techniques in PE as well as having our weekly tennis lessons.

PSHE

We will be thinking about relationships in PSHE lessons. We will also 'Meet our brain' in My Happy Mind.
