

## English

In English this term, we shall be writing a letter, a portal story and learning how to perform a scene. In poetry we will write a Tanka poem and create mood in our poetry.

## RE

Our big question will be 'What difference does being a Muslim make to daily life?'

## Art

We will be learning different techniques to create wave sketches and study the work and painting of the artist Rubens.

## PSHE

Our focus this term will be family relationships, friendships, personal boundaries, and the importance of respect and courtesy.

## Science

This term we are understanding light and seeing. We will focus on reflections, shadows and the importance of protecting our eyes from UV damage.

## PE

We shall be continuing with tennis alongside developing our athletic skills. In the second half of the summer term, we will be swimming.

## Maths

This term, we will be continuing to build on our understanding of fractions and decimals. Later in the term, we will study money, time. And statistics. Times tables fluency will also be a big focus.

## History

In History, we will be learning about the Tudors. We will start the term with a whole day introduction. The focus of our lessons will include Henry VIII, Elizabeth I and the social, cultural and religious diversity of this time.

## Geography

In geography, we will learn about Mount Vesuvius, key aspects of a volcano and the important links to rich soil and farming.

## Computing

This term we are leaning about animation and investigating hardware.
